#### The Beginning

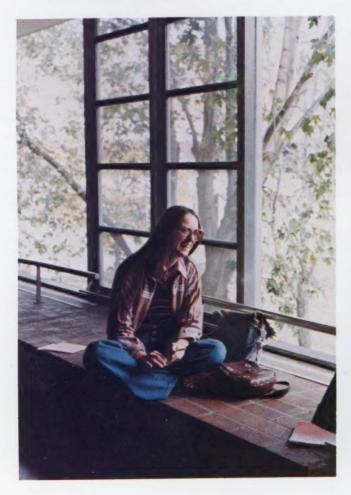

#### **Decisions 76**

The eligible electorate for the November 2nd Presidential ballot was 150 million voters nationwide, 13 thousand of them Delta faculty and students.

Candidates from all levels of office visited the campus. Don Riegle, Democratic contender for the Senate seat and his opponent Marvin Esch shook the proverbial handshakes.

E. Brady Denton and J. Bob Traxler were also on hand to talk to the students while vying for the 8th Congressional seat.

President Gerald Ford and presidential hopeful, Jimmy Carter, visited the Tri-City area along with many local candidates.

The issues were hot and heavy. The private lives of candidates were of major concern and whether or not they can be used for campaign discussion; the way foreign policies were structured also came under fire. Other campaign discussion included the high unemployment situation plus how to deal with the present economy.

Four proposals were on the state ballot. They included a ban on throwaway bottles, lowering the age to become a legislator, a rewriting the graduated income tax system and a ceiling on state spending.

1. Congressman J. Bob Traxler discusses current issues with students at Delta.

2. President Gerald R. Ford speaks out on the economy at a local rally.
3. E. Brady Denton, Republican candidate for Congress.

4. Senator Birch Bayh of Indiana blasts Republicans at Saginaw Valley State College.

5. State Representative Donald Riegle, candidate for the U.S. Senate, lunches in the Delta commons.

6. State Representative Marvin Esch answers questions on the issues in Channel 19's "The Bicentennial Election".

The new Allied Health Building is just one of the many examples of Delta College's continued expansion of educational facilities. The building will be located in the northwest corner of the Delta campus, and is expected to be completed by the fall of 1978.

The building will consist of 55 faculty offices, 12 classrooms, four simulated hospital rooms, a large audio visual room, and a video tape area with sound-proof booths for recording and several study carrels.

## SOCCER

The 1976 Pioneer soccer squad was one of the better in recent years under Coach Crawford "Forddy" Kennedy. The club finished second in the MCCAA standings and second in the NJCAA region with an 8-3-1 overall

log.

This year's club finished out the season without a loss at home and included seven victories. The victims include Central Michigan University 3-1, Northwood Institute 9-3, Northern Michigan University 7-0, Cuyahoga West CC 2-1, Henry Ford CC 4-2, Schoolcraft CC 5-2 and Lorain CC (Ohio) 1-0.

More offensive punch and solid goalkeeping were the keys to successful season. Leading the attack were returnee and captain Quique Carrera along with Mohammad Al-Sulaiti, Mehmet Melik, Massoud Mahmoudi, Khodaya Vahidi, Farbod Saheli and Charles Giyarszadeh.

1. Team captain Quique Carrera puts the move on unidentified Henry Ford player in a key 4-2 conference win over the Hawks.

2. The 1976-77 Delta Soccer Team

3. Soleman Younes attempts to steal the ball from a Lorain player during a 1-0 victory that kept the Pioneer home winning streak in tact at five.

4. Mohammad Al-Sulaiti goes one-on-one against one lone-ly goalkeeper before scoring. Al-Sulaiti along with Farbod Ashoori paced the offensive attack.

5. Mehmet Melik displays what is commonly called "using your head."

6. Al-Sulaiti once again clears the ball from deep in Pioneer country.

# Impressive Season

Top notch goalies included Paul Stenglein and Mehmet Melik.

Highlights of the season included four goals by Mehmet Melik in a 7-1 romp over Kellogg CC and three goals by Farbod Saheli in 5-2 victory over Schoolcraft.

1. Soleman moves the ball with skill.

7. Farbod Ashoori scored three goals in this contest.

Delta ended its first women's tennis season with a 9-0 loss at the hands of Central Michigan University. The 9-0 blanking was not new for the Pioneers were shut out in all eight matches during the initial year.

There were no excuses for the initial season, according to Pam Mindykowski,

the first-year coach.

"We played some rather tough competition, including Henry Ford, Grand Rapids, Muskegon, Oakland, and Kellogg Community Colleges," she said.

"All the women were playing tennis for the first time competitively, so I did not anticipate the caliber of play

to be high."

"The primary intention of the initial season was to make it a learning exper-

ience--- and it was."

"Athletically, the women had the talent. It was just a matter of applying the skills and strategies during the matches. And, as I expected the adjustment was gradual."

"They worked hard and kept their spirits up, even in defeat," she stated.

1. Coach Pamela Mindykowski made it through Delta's first year of women's tennis despite an 0-8 season log.

#### "An Experience"

A late start, a little bit of unorganization, and the prompt cancellation of first matches hurt the initial season. But wait until next year!

Kelly Murphy of Midland played the season as the number one singles player for the club.

Jayne Masek, graduate of Allegan High, was the team's number two singles player throughout the season.

The remaining singles and doubles positions were constantly changing. Those who performed for the club included: Dana Reif, Bangor John Glenn grad; Barb Smith, Caro grad; Judy Villaire, former Bay City All Saints performer; Judy Chichanski, Bay City Central graduate; Jackie Swank, Bay City Handy grad; Katie Phelan, Saginaw Eisenhower grad and Maureen Rehmann, Chesaning High graduate.

2. Jackie Swank braves the cold in this tennis match.

3. Barb Smith prepares to backhand the volley.

4. Dana Reif and the two-handed back-hand.

5. Maureen (Moe) Rehmann concentrates on her serve.

#### Cross Country Finishes Third

The cross-country squad, under Dick Prentice, finished their regular season, a re-building one, strong. The club finished third in quadrangular meets most of the season with freshman Paul Drake, a graduate of Reese High School leading the way. He took individual honors several times during the regular season but placed 26th in the Regional and missed qualifying for the Nationals.

An interesting sidelight to the season was when Cindy Pacholke broke across the finish line in one of the club's first meets. She made history.

1. The 1976 Delta College cross - country squad.
2. Mark Herbers typifies the cross-country participants loneliness as he runs through the course with no competitors in sight.

3. Julius Hobson, came on strong as the Pioneer's fifth man.

4. Paul Drake accepts this third place trophy after finishing the Conference meet well.

5. Five miles. . . rugged woods. . . rain or snow. . hills or bridges. . . heat or cold. . . all this plus is the ultimate struggle for the distance runner. Vice Ueberroth contemplates whether it is worth it.

6. Delta College was the site of the MCCAA Central Conference meet but it was a cold and brisk Friday night. The competitors at this stage of the course are close together before hitting the woods.

2. Julius Hobson keeps up a steady pace in the five mile run.

3. Coach Dick Prentice glances over the course and examines where his runners are. The bearded Prentice looks for brighter things from this large crop of freshmen.

4. Mark Herbers makes his move.

5. Paul Drake struggles to stay ahead of Macomb runner.

6. Paul Drake crosses the finish line.

7. Tom Vitengruber gets ready to pass a Lansing runner.

#### Harrier Sex Barrier Broken

The slender Pacholke, although she didn't realize it at the time, became the first woman to break the sex barrier in the dominantly male sport at Delta.

The future of cross-country next fall looks impressive to say the least. Several of the team's top runners will be back again.

# Volleyball

The Pioneer volleyball squad finished the 1976 season at 12-10 overall and perhaps as one of the best volleyball clubs ever at Delta.

Coach Pat O'Toole, who had worked her squad hard throughout the regular season in preparation for post season play, discovered they were

going nowhere.

first time in several For the years there was no MAIAW State tourney. But, the women were selected to represent Michigan in the Regionals. However, Delta's athletic director voted down the selection.

It was an unusual season for the women who dropped several tough three setters to Central Michigan, Mott, Kellogg, Michigan State, Henry Ford, and Eastern Michigan.

Delta came so close to victory

only to lose it at the end.

Eleven freshmen rounded out the squad along with the only returnee Lynette Aven, a graduate of Saginaw Eisenhower.

7. Nancy Galloway played tough in the back line.

### Team Work Key To Victory

Members of the Pioneer squad included Terri LeRoy, Susan Luandra, Debbie Sanders, and Jane Czolgosz, all graduates of Saginaw Eisenhower.

In addition: Jan Hacker, former Essexville Garber performer; Amy Rase, Bay City Western graduate; Nancy Galloway, Corunna grad; JoAnn Emeott, former Swan Valley volleyball player; Kathleen Swiger, Midland High graduate; Marcia Bohl, Former Bridgeport High star and Elizabeth Ballor, Tawas Area High grad, rounded out the club.

# Field Hockey \_Anyone?\_\_\_

Coald Elanore "Tommy" Thompson's field hockey club started slowly, having trouble fielding 11 performers. But, Coach Thompson, put together a fine group of first year players along with the only returnee, Cheryl Fechter, to play a tough schedule.

The women managed only five goals the whole season but salvaged two wins and a tie to go with the

eight losses.

The two victories, back-to-back 1-0 shut-outs over Grand Valley State College and the University of Toledo, gave the women a 2-3-1 record mid-way in the schedule but the women dropped their last five contests.

Connie Seymour, a freshman from Essexville, was the club's leading scorer with two.

Becky Plank, a latecomer to the squad, played inspiringly in the nets to keep the Pioneer chances alive.

2. The 1976 Delta College Field Hockey Squad: (Front row, left to right) Karen Massoll, Jill Grouda, Connie Seymour, Cheryl Fechter and Sue Whaley. (Back row) Coach "Tommy" Thompson, Anne Mc Lellan, Kris Cender, Linny Kostrzevia, Bridget Albosta, Cheryl Taylor, and Becky Plank.

## Injuries Plague Team

The women opened the season with only nine performers but added two more after a few games. But, injuries to Kris Cender and Linny Kostrzevia, left the club, once again, short-handed.

Other members of the '76 squad included Anne McLellan, Bridget Albosta, Sue Whaley, Jill Grouda, Cheryl Taylor and Karen Massoll.

1. Cheryl Fechter steals the ball away from a rushing opponent.

2. Jill Grouda winds up and lets it loose.

3. Cheryl Fechter advances the ball toward the opponents' goal.

4. Neither rain, nor cold, nor sleet, nor hail could stop the 1976 Delta College field hockey club. Here Coach "Tommy" Thompson (all bundled up) graves the cold and encourages her squad during half-time intermission.

5. A familiar sight during the season was watching Becky Plank, Delta's goal-keeper, helplessly try to stop the opposition's offensive attack.

6. Cheryl Taylor clears the ball for the Pioneer defense.

7. The action was very competitive although the women finished with a 2-8-1 log. The play was often cluttered in the Pioneer end of the field as shown here.

## Potential Becomes Reality

Making reality out of potential was Coach Jim Still's toughest challenge as head coach of the Delta College Pioneer basketball club.

The Pioneers had good team quickness, some height, pressed well and for the first time in a while they weren't afraid to rebound with anyone. Yet, they finished with a 13-11 overall record.

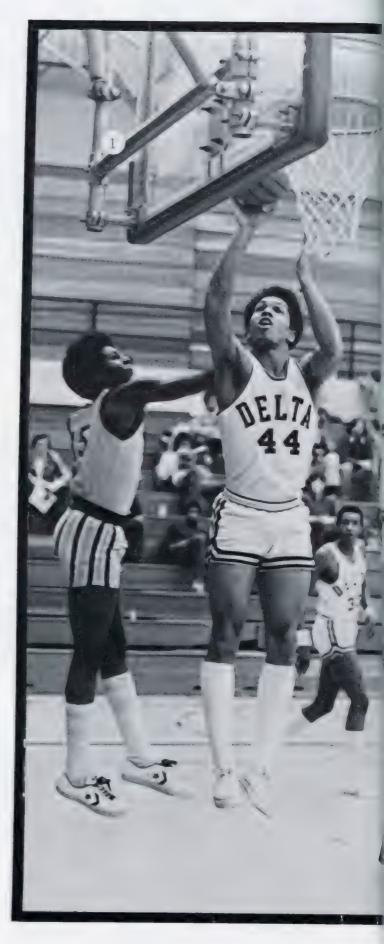

The Delta five started strong by winning four straight contests including a 108-74 triumph over Washtenaw and a hard fought 84-72 decision over Central Michigan University's Jayvees.

Coach Jim Still's victory streak came to an abrupt end when Muskegon handed the Pioneers a 79-77 loss on the road and the following afternoon Davenport slapped the Delta club with another defeat 83-79.

Delta, which split its next two contests, were 5-3 at the Christmas break. Duke Walker, one of two returnees on the club, never returned for the second half of the season and as a result Delta's potential seemed mediocre at best.

An 80-69 triumph over Michigan State University's JV's opened the Pioneers' second half. Delta then dumped lansing in double overtime 98-97 and Macomb 86-76 to up their record to an impressive 8-3 mark, and undefeated after conference match-ups.

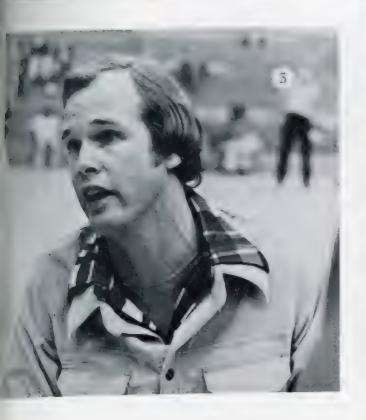

But, then it happened. The Pioneers found themselves without a team leader and dropped four straight by blowing big halftime leads in several contests.

1. Aaron Fowler, (44), taps in two of his 20 game-high points in a 75-69 loss with St. Clair.
2. Mark Holka (21), attempts to "tip it our way".
3. Head Coach Jim Still gets in a few words during a time-out.

2. Satch Owens breaks away for an easy

3. Dave Simons, (35), drops in an offensive rebound versus Lansing.

4. Satch Owens on the defense.

Oakland defeated Delta 95-77 before the Pioneers were able to get back on the winning track. The Pioneers dumped Lansing 98-88 in Lansing, clobbered Macomb 90-63 and appeared ready to make reality out of potential with a 10-7 log.

Delta dropped one-point contests with St. Clair and Alpena, 61-60 and 64-63, for the second time and ended their regular season by edging Flint Mott, in 3 overtimes, 98-92.

Aaron Fowler, the club's leading rebounder and scorer was named to the MCCAA All-Conference squad along with teanmate Terry Woodley. Fowler averaged 21.8 points a game while Woodley scored at 13.7 clip.

Dave Simons, the Pioneers' second leading rebounder and top assist man was named to the MCCAA State Tournament team.

## Cagers Have Poor Season

Coach Char Denman's cagers finished out one of Delta's poorest seasons with a 4-7 overall record and no post season play.

The women dropped many games by big margins, including a 70-40 shellacking by Grand Rapids Junior College, a 77-49 defeat by Flint Mott, and a 77-46 decision to Eastern Michigan University.

Other losses; a 66-54 decision with Alma College; a tough 54-50 contest with Michigan State University's JV club; and a 73-60 season finale with Central Michigan University's Jayvees.

On the brighter side, the freshman laden Pioneers dumped Schoolcraft in the season opener 59-47, as Jan Robinson hit 24 game-high points. Dearborn Henry Ford was the Pioneers' second victim by a 62-58 count. Robinson hit 20, Jan Hacker added 15 and Sue Laundra chipped in with 10 for the Pioneers.

After three consecutive losses, the Pioneers used a balanced scoring attack and edged Spring Arbor College 68-53. Robinson and Laundra led the way with 14 apiece, Hacker totaled 10, Nancy Galloway hit 9 and Sue Stindt added 8.

2. Jan Hacker (53) tosses in another two points.

3. Janice Robinson hauls down a big rebound.

4. "I think I forgot the ball," Kathy Simmons (15) seems to be saying after driving in for an apparent lay-up.

5. JoAnn Emeott pops a 10-footer.

Robinson, the Pioneers' leading scorer, single-handedly took the Delta five to a 65-41 triumph over Olivet College in Delta's final triumph of the year. The Saginaw Douglas MacArthur freshamn grabbed 10 rebounds and hit on 13 of 27 shots from the floor for 26 season high points.

For the season, Robinson averaged 15.1 points per game and was the club's top rebounder with 98. Hacker averaged 11.5 points a contest. Connie Seymour

led in assists with 18.

# BLACK HISTORY MONTH

The most important asset a people has is its young. You cannot build a black nation or a world with just one generation, we need generations. Without children there is no continuation there is no future. We need a youth that can complete that which we start a youth that can challenge the future we're bound for.
